JUNIOR ART INTENSIVE 2022

RESOURCES + MATERIALS LIST: ONLINE

Due to the online nature of this section, students participating in JAI will be required to have their own access to the hardware, software and materials required for the program.

Required hardware:

- Tablet or smartphone to download and run Cateater app (compatible with Apple, Android, Chromebook, Mac iOS and Windows)
- Computer with webcam access Moodle and join Zoom sessions.
- Headphones and microphone

Required software:

- [Cateater Stop Motion Studio](#) – Students can work with the free version of the app. If possible, we recommend purchasing the \$10 pro version for extended features. This is a one-time purchase, not a subscription.

Materials:

You will find below the list of essential and suggested materials for the Drawing + Painting, and Soft-sculpture + Animation modules. Please note that you are welcome to use materials that you already have at home, provided that they serve a similar purpose for your work.
