## SUMMER INSTITUTE FOR TEENS 2022

### RESOURCES + MATERIALS LIST: Game Design

Students participating in SIT will be required to have their own access to the required software, hardware and materials for their registered studio.

#### Required software:

- [Unity\\*](#)
- Adobe Creative Cloud\*

\*Students will have access to the software in the computer labs. Please note that students will still need to create personal accounts, linked to their email address, which may be stored in servers outside of Canada. Consent forms will be provided in your Welcome Package.

#### Materials:

You will find below a list of essential materials for the Game Design studio. Please note that you are welcome to use materials that you already have at home, provided that they serve a similar purpose for your studio work.
