

520 EAST 1ST AVENUE
VANCOUVER, BC, CANADA V5T 0H2

SUMMER INSTITUTE FOR TEENS 2022

RESOURCES + MATERIALS LIST: CREATIVE CODING + WEB DESIGN

Students participating in SIT will be required to have their own access to the required materials for their registered studio.

Required hardware:

- Students are expected to bring their own laptops to class. Computers should meet the following [minimum requirements](#) to run Adobe CC.
- Students are encouraged to bring their smartphones to test their designs.

Required software:

- Adobe CC*
- Figma**
- Visual Studio Code**
- Processing**

*Students will have access to Adobe software in the computer labs. Please note that students will still need to create a personal Adobe account, linked to their email address, which may be stored in servers outside of Canada. Consent forms and instructions will be provided in your Welcome Package.

** Free software license

Materials:

You will find below a list of essential materials for the Creative Coding + Web Design studio. Please note that you are welcome to use materials that you already have at home, provided that they serve a similar purpose for your studio work.

ESSENTIAL ITEMS required for class
