SUMMER INSTITUTE FOR TEENS 2021

RESOURCES + MATERIALS LIST: DIGITAL ILLUSTRATION

Due to the online nature of the program this year, students participating in SIT will be required to have their own access to the required software, hardware and materials for their registered studio.

Required hardware:

- Computer with webcam. Computers should meet the following [minimum requirements](#) to run Adobe CC software.
- Graphic tablet ([Wacom](#), [Huion](#) or similar graphic tablet) to create hand-drawn illustrations directly in Adobe software.
- Headphones and microphone

Note: Please ensure that your computer at least 16 GB of free storage for your projects.

Required software:

- [Adobe Photoshop*](#)
- [Adobe Illustrator*](#)

*Students will be provided access to temporary licenses to software, valid for the duration of the program. Please note that this temporary license will be linked to the student's email address, which may be stored in servers outside of Canada. Consent forms and instructions to activate the temporary software license will be provided in your Welcome Package.

Materials:

You will find below the list of essential and optional materials for the Digital Illustration studio. Please note that you are welcome to use materials that you already have at home, provided that they serve a similar purpose for your studio work.
