II. BUSINESS

1. Senate Chair's Remarks + Report

T. Kelly announced that the 2024-2030 Strategic Plan was approved by the Board of Governors, and will be rolled out this fall. She also thanked the Strategic Plan Advisory Group who co-created the plan in consultation with the community and the Board over the last two years. The strategic plan reflects a new vision, mission and values for the university, while also embodying the integrity, aspirations and lived experience of us all.

T. Kelly noted that the countdown to the centennial celebration has begun. ECU will be reflecting on a century of achievements, celebrating influential alumni and faculty, and highlighting the groundbreaking contributions that have helped shape a better world through art and design. T. Kelly will provide updates to Senate in the lead up to the celebrations.

T. Kelly announced that Brenda Crabtree is a 2024 appointee to the Order of British Columbia. Brenda is the former Director of Aboriginal Programs and Special Advisor to the President on Indigenous Initiatives at ECU. She was recognized as an enduring champion for Indigenous artists and for the development of groundbreaking Indigenous art programs.

T. Kelly also reported that Minister of IRCC Marc Miller announced changes to the International Student Program and the Post-Graduate Work Program, effective for 2025 and 2026. The International Student Program cap will decrease by 10% over 2025 and with no plans for further reduction in 2026.

T. Kelly provided further updates, including the following:

- The search for the VP, Academic + Provost will begin this fall. Senate will select a Senator to serve as a member of the search committee. Details to come via email.
- The university will hold a community gathering in recognition of the National Day for Truth and Reconciliation on September 27.
- There will be a Clothing Swap on Tuesday, October 8-10, sponsored by the ECSU.
- Elections BC will be providing advanced voting on October 10 at ECU on the main floor by the Mezzanine.

2. Interim Vice-President, Academic + Provost Report

D. Achjadi reported that on November 16, ECU will be hosting National Portfolio Day. This is one of the largest recruitment events for art and design institutions in North America and is attended by prospective applicants from across the lower mainland and beyond. We will be hosting colleagues from 18 institutions across Canada, the US, and Europe.

D. Achjadi also reported that this fall, ECU welcomed approximately 522 first year students and 60 new graduate students. There were a lot of campus events happening the first week of September to welcome students. In response to a question, it was noted that further

details regarding enrollment targets within specific program areas will be shared for information with the Academic Planning and Priorities Committee and then to Senate.

3. Election of Vice Chair of Senate

T. Kelly referenced materials in the meeting package and outlined the role of the Vice-Chair of Senate, including that the Vice-Chair, chairs the Senate Budget Committee and chairs meetings of the Senate in the absence of the Chair of Senate.

The Registrar called for nominees to serve as Vice-Chair of Senate. Diyan Achjadi was nominated and accepted the nomination. As there were no other candidates, D. Achjadi was elected as Vice-Chair by acclamation.

4. Election of Senate Members for Appointment to Senate Committees

Before the election process began, it was clarified that Vanessa Kam as University Librarian is eligible to sit on the sub-committees as a “support staff member” as per the Senate Bylaws.

- Executive Committee
 - 1 Member-at-Large: Shawn Choi
 - 1 (of 2) Faculty member: Cameron Cartiere
 - 1 (of 2) Faculty member: Mimi Gellman
 - 1 Dean: Kyla Mallett
 - 1 Staff member: Vanessa Kam
 - 1 Student member: Stuti Gulati
- Governance Committee
 - 1 Faculty member: Alex Phillips
 - 1 Staff member: Laszlo Hollander (one year term to fill vacancy)

 - 1 Senate member: Haig Armen (one year term to fill vacancy)
 - 1 Dean: Kyla Mallett
- Financial Awards Committee
 - 1 Senate member: Beth Howe

- International Development Committee
 - 1 Senate member: Helene Day Fraser

There was a question raised regarding filling vacancies on the Senate sub-committee and why the newly appointed member has to fill the vacancy term first instead of starting a new full term. N. Himer noted that she will take this question back as it may be addressed in the Senate Bylaws and/or the Election policy.

5. Appointments to Senate Committee

MOTION: That the Senate approve the new and renewed nominees for appointment to Senate Committees as recommended by the Nominations Committee.

Moved/Seconded

Carried.

[Secretary's Note: N. Himer, at the request of a Senator, has reconfirmed with R. Sawatsky that she will continue on the Nominations Committee as a faculty member.]

6. Senate Bylaws

N. Himer gave notice to Senate of the proposed amendment to the Senate bylaws to reflect the frequency/timing of meetings from monthly to every 5-6 weeks. She will bring forward to the Senate Governance Committee before it comes back to the Senate for approval.

III. OTHER BUSINESS

N. Himer also reported that N. Shin, the Associate University Secretary, will be leaving the ECU to pursue other opportunities. N. Himer and Senators shared words of thanks and best wishes to N. Shin in these future endeavours.

Senate Committee Recommendation Form

Committee:	Senate Governance Committee
Meeting Date:	October 16, 2024
Presenter(s):	Natasha Himer, University Secretary
Guest(s):	N/A

Subject: Amendment to Senate Bylaws regarding Meeting Frequency

Recommendation:	<input checked="" type="checkbox"/> Motion to approve / <input type="checkbox"/> Discussion / <input type="checkbox"/> For Information
------------------------	--

Resolution:	Motion: that the Senate, on the recommendation of the Senate Governance Committee, approve amendments to the Bylaws regarding meeting frequency, as presented effective immediately.
--------------------	---

Purpose:

To amend the Senate Bylaws to reflect change in meeting frequency from monthly to every five to six weeks.

Analysis and discussion:

There is wide support for the Senate to explore changes to meeting practices, in particular frequency and length of meetings. Key drivers for the change include the following:

- By slightly reducing the number of regular meetings and extending the time of each meeting more business could potentially be considered within each meeting.
- Making the change will mean that the Senate will have more time together overall.
- Spacing out the meetings in this way will provide some more time for matters to come through Senate Sub-Committees which meet between the regular Senate meetings.
- Adjusting the schedule may allow more time for an annual kick off meeting for each annual cycle in lieu of a regular meeting.
- Fewer but longer meeting will also provide a small savings in the Senate’s budget.

Consultation:

Consultation and discussion took place over the course of the 2023/2024 Academic year with the Senate Governance Committee, with the Senate Executive Committee and with the Senate. The change to meeting frequency was widely supported. Notice of the amendment was provided at the September Senate meeting.

Resource requirements: Not determinative – room bookings/IT support will continue to be available

ARTICLE I – INTERPRETATION

The *University Act*, Part 7, 35.2 sets out the composition, powers and duties of the Senate of a special purpose teaching university. The legislation sets forth a bicameral or shared governance structure for decision-making between the Board and the Senate. 35.2 (4) of the *University Act* states:

The senate of a special purpose, teaching university must make bylaws for the conduct of the business of the senate, including bylaws specifying the duties of members of the senate in conflict of interest situations.

The ECUAD Senate Bylaws set forth a framework that is both operational and ethical: they articulate principles of good governance, where “the ultimate role of good governance is to ensure the effectiveness, credibility and viability of the organization.” (Broadbent Report)

Pursuant to these Bylaws, the Senate will carry out its responsibilities in a manner which is:

- Accountable to Stakeholders
- Consensus Oriented
- Collegial
- Open and Participatory
- Effective and Efficient
- Ethical
- Transparent

These Bylaws should be interpreted in a manner consistent with the *Act*. In the event of any inconsistency the *Act* will take precedence.

ARTICLE VIII – RESIGNATION OF SENATE MEMBERS

The resignation of any member of the Senate will be made by notice in writing, addressed and delivered to the Senate Chair.

ARTICLE IX – CONFLICT OF INTEREST AND CODE OF CONDUCT

1. General

A member of the Senate holds a position of trust. As such there is a general obligation on them to avoid situations of conflict of interest. Each member, regardless of how they become a member, has a responsibility first and foremost to the welfare of the University and must function primarily as a member of the Senate, not as a member of any particular constituency.

Given the nature of Senate activities, members of Senate will occasionally find themselves in potential conflict of interest situations. The constituent specific guidelines are intended to be parallel to the historical nature of interest conflicts. That is, those of primarily a financial interest.

Definitions in this Statement:

"Adjudicator" means a person identified by the Senate to assist in determining a declaration of conflict of interest.

2. Conflict of Interest

A conflict of interest could arise from *Real, Potential or Apparent* Conflict of Interest for a Senate member or Related Person and may be personal financial or other personal benefit. For this purpose:

- a) A **"Real Conflict of Interest"** occurs when a Member exercises an official power or performs an official duty or function and at the same time, knows that in the performance of this duty or function or in the exercise of power there is the opportunity to further their own private interest or the private interest of a Related Person.
- b) A **"Potential Conflict of Interest"** occurs when a Member's private interest or the private interest of a Related Person could influence the performance of that Member's duties as a Member of Senate.
- c) An **"Apparent Conflict of Interest"** exists when a person who is reasonably well informed of the relevant facts would reasonably apprehend that a conflict of interest exists on the part of the Member.

3. Declaration of Conflict

- a) Senate members must arrange their private affairs and conduct themselves in a manner to avoid a conflict of interest. In cases when a conflict cannot be avoided, a Senate member has an obligation to declare a conflict of interest prior to discussion or decision of an issue. Upon declaration of a conflict the person recording the events of the meeting should duly note the declaration and the Senate member must:
 - i) In an in-camera session or committee meeting, absent themselves from the proceedings during discussion or voting on that particular matter, contract or arrangement;
 - ii) In a public session, refrain from discussing or voting on that particular matter, contract or arrangement.

- b) Where a Senate member is unsure of whether they are in conflict that member should raise the perceived potential conflict with the Senate, and the Senate should determine by majority vote whether or not a conflict of interest exists. The member perceived to be in conflict should refrain from voting on the issue.
- c) Where a conflict of interest is discovered after consideration of a matter, the conflict must be declared to the Senate and appropriately recorded at first opportunity. If the Senate determines that involvement of said member influenced the decision of the matter, the Senate will re-examine the matter and may rescind, vary, or confirm its decision.
- d) Any Senate member who perceives another member to be in conflict of interest in a matter under consideration must identify the perceived conflict to the Senate at the first opportunity. The Senate should determine by majority vote whether or not a conflict of interest exists. The member perceived to be in conflict should refrain from voting.
- e) Where a Senate member has been declared by vote to be in conflict of interest, and that Member is in disagreement with the decision of the Senate they may appeal the decision through the steps outlined in Section (4) below. Until the appeal process is completed, the Senate member perceived to be in conflict either stands aside on the given issue or continues at risk of acting in conflict and being subject to the associated penalty(s).
- f) At the discretion of the Senate, the Senate may invite the member in conflict to state their position on the issue in question prior to absenting themselves.

4. Appeal of Declaration of Conflict

- a) If the Senate has exhausted all possible means of resolving a conflict of interest declaration and the Senate members(s) in question and the Senate are still at an impasse, then, upon mutual consent of both parties, the determination of conflict will be referred to Adjudicator(s) to review and make a determination on a perceived conflict of interest.
- b) The process for appealing a declaration of conflict will require the following:
 - i) The Senate will identify Adjudicator(s) to review and make a determination on a perceived conflict of interest;
 - ii) The Senate will submit a report to the Adjudicator and a copy to the member in question within seven (7) days of the request for adjudication documenting the nature of the perceived conflict, and the background leading to the impasse;
 - iii) The Senate member(s) perceived to be in conflict will submit a report to the Adjudicator(s) and a copy to the Senate within seven (7) days of the request for adjudication documenting the nature of the perceived conflict, their rationale for not being in conflict, and the background leading to the impasse;
 - iv) The Adjudicator(s) will review the documentation, gather any other additional information required to make an informed decision, and provide the Senate with a determination on the declaration of conflict of interest within two weeks of receiving the request for adjudication or may, if further review is necessary, request an extension from the parties involved.

5. Punitive Action Associated with Conflict of Interest

- a) A second role for the Adjudicator(s) is to recommend to the Senate any punitive action to be directed to a Senate member deemed to be in conflict. The Senate will have the power and ability to impose punitive action including one or more of the following:
 - i) Letter of reprimand; and/or
 - ii) Recommendation that a Senate member(s) resign from the Senate

6. General Guidelines for Declaring Conflict of Interest

The following examples of conflict of interest are intended to provide general guidelines for declaring conflict of interest. These examples should not necessarily be considered exhaustive.

- a) A **"financial interest"** exists when a matter is before the Senate which:
 - i) affects a private company or business in which a Member or Related Persons are an owner, a proprietor, shareholder or director;
 - ii) affects a public company in which the Member, or Related Persons hold more than 10% of the shares issued of that public company or is a director;
 - iii) affects a partnership or firm in which the Member, or Related Persons are a partner or ownership interest;
 - iv) affects an organization in which the Member is a senior officer;
 - v) affects a Society, Crown Corporation or other organization in which the Member by virtue of office holds a position of influence.
- b) A **"conflict of interest due to representation of, or relation to, a specific constituency"** may occasionally arise. In general, voting on matters which have an effect on a broad group (i.e.: students, staff, faculty) by a member of that group is not considered a conflict of interest. Conflict could reasonably be considered to exist however if the decision being considered by Senate would result in personal gain specific to a Member or a Related Person separate and apart from the wider constituency from which that Member was selected or elected.

7. Code of Conduct

The effective governance of the University is contingent on Senate members fulfilling their roles and responsibilities with the highest standards of conduct. The following outlines the duties demanded of members of the Senate:

- a) Duty of Integrity: to act honestly and in good faith;
- b) Duty of Loyalty: to give one's loyalty to the University when acting on behalf of the Senate; and,
- c) Duty of Confidentiality: notwithstanding the need of Members to make an informed decision on an issue before the Senate by obtaining input from internal and external communities, members are to ensure that information which is normally considered confidential remains so.

Conduct of members contrary to the above duties may be subject to review by the Senate, and subsequent punitive action similar to the Conflict of Interest Bylaw may be imposed. The appeal process outlined in the Conflict of Interest Bylaw will be made available to either party in a dispute.

ARTICLE X – BYLAW AMENDMENTS

1. By giving notice of a motion at a regular meeting of Senate, these Bylaws may be amended at a subsequent regular meeting of the Senate, subject to the *University Act*.
2. Resolutions for amendments to the Bylaws require a two-thirds (2/3) majority of affirmative votes of the voting members in attendance at the meeting where a quorum is established.

Resolution:	<p>THAT SENATE APPROVE the following:</p> <p>From the Faculty of ART New course proposal as presented: CRAM 3XX (requesting 302) Ceramics: Wheel Throwing II</p> <p>Course change proposals as presented: CRAM 202 Ceramics: Wheel Throwing I CRAM 221 Ceramics: Mold-Making CRAM 223 Ceramics: Surface Design CRAM 303 Ceramics Practices: Topic CRAM 304 Ceramics: Special Topics CRAM 305 Ceramics: Material Science CRAM 308 Exploring Scale: Vessels and Sculptures CRAM 314 Architectures Ceramics CRAM 318 Ceramics: Atmospheric Effects</p> <p>From the Faculty of DDM Course change proposals as presented: INTD 217 (change to 216) UX Sketch, Prototype, Test I INTD 219 (change to 215) Designing for Screens I</p> <p>New course proposal as presented: INTD 3XX requesting 315 Designing for Screens II</p>
--------------------	---

Purpose:

CRAM 3XX - This course is designed to further develop students' skills and understanding of wheel throwing techniques within the context of contemporary art and design.

INTD 3XX - This new course proposal is based on the requests from many students and faculty for an extension of the INTD 219 (*renumbering in 2025 to INTD 215*) curriculum to accommodate advanced topics in website development and conceptualization.

Rationale/Analysis:

CRAM 202 - Added an intermediate class to ceramics so we modified this class to ladder the curriculum and to add learning objectives to this class.

CRAM 221 - To bring up to date and provide learning objectives

CRAM 223 – to update the name and description and add learning objectives

CRAM 303 – To add learning objectives.

CRAM 304 – To add learning objectives.

CRAM 305 – To ensure that Course Description aligns more precisely with specific deliverables and to add Learning Objectives.

CRAM 308 – To ensure that Course Description aligns more precisely with course delivery and to add Learning Objectives.

CRAM 314 – To provide students with a more comprehensive learning experience, the class structure has been revised. Previously, the course was limited to 3 credits, which didn't allow ample time for project development. This adjustment also offers the ability to enhance the learning objectives and class material.

CRAM 318 - To include learning objectives

INTD 217 – change to 216 to better align the sequence of numbers and to update the learning objectives.

INTD 219 – change to 215 to better align the sequence of numbers with the new INTD 3XX (INTD 315) and change name to Designing Screens I to precede 315 Designing Screens II and to update learning objectives.
