II. NEW BUSINESS

1. Trish Kelly presented, on behalf of Kevin Bird:
Motion: CDM Graduating Class of December 2019.
Moved / Seconded to approve the CDM Graduating Class of December 2019 as presented. **Carried.**
2. CPR Committee Report – Trish Kelly presented motions (recommendations from CPR) and Kyla Mallett, Dean, Audain Faculty of Art, gave a summary of the discussion at the CPR meeting in December, where all proposals were approved.
 - a) COVER SHEET for Program Requirement Worksheets ILUS and PHOT BFA's
 - b) PRW PHOT 2019 Dec 10
 - c) PRW ILUS 2019 revised Dec 10
 - d) ILUS 4XX Illustration Senior Studio new course proposal

It was noted that the updated program requirement worksheets respond to issues with current forms that were implemented in 2017 when ECU moved from 129 credit degrees to 120 credit degrees. At that time several requirements were cut to accommodate the lower credit count, and allow for flexibility for students. Issues have been arising out of the less structured model and Faculty of Art has reassessed the program requirements for the BFAs in Photography and Illustration. It was noted that ILUS 4XX Illustration Senior Studio is a new course proposal, which provides students with the opportunity to propose and develop a self-directed body of work.

Celeste Martin, Dean, Ian Gillespie Faculty of Design + Dynamic Media gave a summary of the discussion at the CPR meeting in December, where all proposals were approved.

It was noted that FMSA was the first program which converted from 129 to 120 credit degrees. An open elective in 2DAN and 3DAN will provide students with more agency and choice in second year. Senate approved all course proposals and changes as presented.

Moved / Seconded to approve the new course proposals and course change proposals as presented.

3. Governance Committee Report. Suzanne Rackover reported on the ongoing work of the Governance Committee: developing Terms of Reference for the Senate Executive Committee, reviewing Senate committee composition, especially ex officio and non-voting membership, and ensuring adequate representation from academic leadership on all committees. The Governance Committee will review the Terms of Reference and the membership of the Senate Budget Committee. It was noted that the Senate Budget Committee, which is a Committee of the whole of Senate, reviews and advises on the budget, and the Board approves the budget.
