EMILY ALERT NOTIFICATION SYSTEM

WHAT IS IT?

It is a mass emergency notification system that sends a short Emergency Message alerting you to an emergency that may cause the campus to be closed or evacuated. An example might look like this:

"This is an important message from Emily Carr University. Due to adverse weather in the Lower Mainland, the campus has been closed for today. Please check the Emily Carr website for updated information."

HOW DOES IT WORK?

A short message will be sent to you via the contact information you have provided the University. It could be by:

- Text message (if provided)
- Phone call and voicemail to cell (if provided)
- Phone call and voicemail to secondary phone (if provided)
- Email to Emily Carr email address
- · Email to personal email address (if provided)

WHY SHOULD I UPDATE MY INFORMATION?

In order to receive these alerts, the University needs your contact information to be current. Take a few minutes to update your information within MyEC, and ensure your contact phone numbers are correct and that you correctly identify your cell number and home number.

Visit https://www.ecuad.ca/emilyalertreg for detailed instructions.

WHY DIDN'T I RECEIVE THE ALERT?

You may not have received an alert because of incorrect or out of date information provided in your MyEC profile.

IS THE ALERT SYSTEM TESTED?

Yes, the system will be tested at least once annually, usually as part of an emergency drill. You will be notified ahead of time that a drill will be taking place and if the alert system is going to be used.

WHAT IF I DON'T WANT THE ALERTS?

If you do not wish to receive any alerts, please email adove@ecuad.ca and provide your name and ID number.

WHAT IF I AM REMOVED FROM THE ALERT SYSTEM AND DECIDE I WANT TO RECEIVE ALERTS?

If you wish to receive alerts again, please email adove@ecuad.ca and provide your name and ID number.

WILL MY CONTACT INFORMATION BE SHARED WITH ANYONE?

A third party provides the system with secure servers and back-up servers housed within Canada and Europe. Personal information is not shared externally and all contact information used has been provided from you to the University.

WHAT KIND OF MESSAGES CAN I EXPECT TO RECEIVE?

Messages will only be sent in the event of an emergency which could impact access to class or campus, or if your safety is compromised, such as:

- A large fire
- A building collapse
- A snow closure or other adverse weather
- An earthquake
- An active threat on campus
- Or some other event that may impact classes or the ability of the University to remain open

WHAT SHOULD I DO IF I GET A MESSAGE?

Follow the instructions outlined in the message. Other avenues for obtaining emergency information are the University website, social media and traditional media outlets.
