

REQUEST FOR ACCESS

SHOPS + STUDIOS

PLEASE FILL THIS FORM USING ADOBE ACROBAT FOR BEST RESULTS AND EMAIL TO TECHNICALSERVICES@ECUAD.CA. To ensure the safety of our community, those seeking access to shops + studios will agree to adhere to scheduled work days and times, provide and wear personal protective equipment, perform daily health self-checks, and stay away from campus if not well. The university will provide re-orientation to the requested area including updated safe work procedures, COVID-19 safety awareness training, as well as provincial health updates which may affect terms of access. Access will be restricted to required areas for successful completion of project. Comprehensive original technical instruction may not be possible, and certain aspects of project may be pivoted to alternate production modes to expedite completion. Given the evolving nature of the COVID-19 public health emergency, access interruptions may occur outside of this agreement.
